The Dobbins-Oregon House Improvement Foundation (DOHIF), a 501(c)(3) nonprofit corporation, is dedicated to improving life in the Dobbins-Oregon House community by providing a multi-use Community Center for community events and activities. The Alcouffe Center is an Equal Opportunity Facility that is open to all residents. Built largely through volunteer labor the Center is debt free and relies on donations, fund raisers and modest use fees (for private events) for operations. The Center has no paid staff and relies on DOHIF Board members and community volunteers to carry out its vision and mission:

Vision “A vibrant and healthy community where needed services are provided and available for all residents”

Mission “Build and support a place to meet, provide improved health and safety services, enhance education, assist with disaster relief, recreate and enjoy life”.

A 10,000 sq. ft. Community Center building with a large main hall (240 capacity), stage, sound and video systems, commercial kitchen and smaller meeting rooms provides a venue that can be used for weddings and other large events as well as small community groups and club meetings and everything in between.

Spacious grounds, a ball field, a tot lot and a picnic area provide the opportunity for various outdoor family activities as well as community events. In a beautiful foothills setting the Center provides the opportunity for various uses.

Some examples are:

- Weddings
- Anniversaries
- Birthday parties
- Concerts
- Community forums/events
- Lectures
- Health screening
- Plays
- Recreational activities
- Exercise equipment
- Special events
- Business retreats
- Disaster Relief Center

There is no use fee for events that benefit youth activities or the community as a whole or local clubs or groups (donation suggested). There is a very reasonable use fee for private events:
