

No Charge Category
Suggested Donation*

Local nonprofit organizations, or groups operating on a nonprofit basis, for providing community wide health or safety related services to local residents.

Local youth organizations that support activities for youth including, but not limited to, sports, education, theater, music, art and other wholesome activities.

Government entities (federal, state and local), groups or individuals for such activities as open informational sessions, meetings, dispensing of services (including sheltering of evacuees during declared emergencies) and election polling places.

Memorial services for local residents.

Fund raising activities conducted for the benefit of local residents who have come under economic stress arising out of illness, injury or catastrophic economic loss.

*DOHIF reserves the right to limit No Charge and Cost Based Category Uses when revenue shortfalls and budgeting requirements so dictate. See 1. below.

Notes:

1. Suggested Donation and Cost Based Category set at \$100/day or \$50.00/half day for 2017.
2. Local - Defined as those persons residing within the boundaries of the Dobbins-Oregon House Fire Protection District and, in the case of an organization, group or club, one in which the majority of members reside within said Fire Protection District).
3. Local community clubs or groups may use the facility for meetings, as available, without charge (donation suggested)
4. Charge for use of grounds and/or Snack Shack will be on a negotiated basis depending on type of event, benefit to community, area needed, etc. Use of building or Snack Shack restrooms may require extra cost.

Cost Based Category*

Local nonprofit organizations, or groups operating on a nonprofit basis, for providing health or safety related services to a limited group of local residents.

Local nonprofit organizations, or groups operating on a nonprofit basis, for providing services that are not health or safety related to a limited group of local residents.

Groups or individuals that provide a service or services, or an activity or activities that benefit, or are desired by, a limited group of local residents.
